A!

AALTO SCIENTIFIC COMPUTING

Computing for research, made approachable

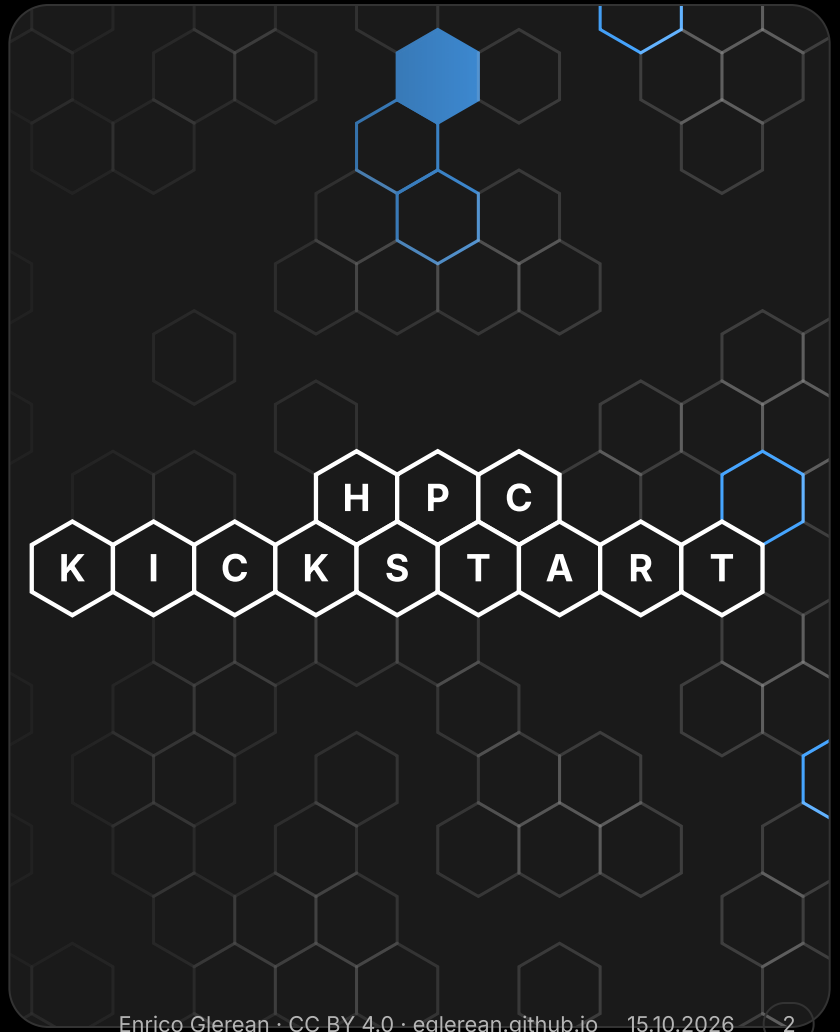

Triton, research software engineering and training at Aalto

Presenter Name · October 2026 · Espoo

HPC Kickstart 2026

A dark cover with custom honeycomb letters

Presenter Name · Department of Computer Science

PART ONE

Getting started on Triton

Enrico Glerean · CC BY 4.0 · eglerean.github.io

PART TWO

Research software engineering

Enrico Glerean · CC BY 4.0 · eglerean.github.io

Default content slide

Headings are set in Besley, body text in Inter.

- Bullets use small clay hexagons
- Second bullet point with **strong text** and a link
  - Nested bullet
- Third bullet point

1. Numbered item one
2. Numbered item two

Rounded cards

Triton

Aalto's high-performance computing cluster.

RSE

Research software engineers you can hire for your project.

Garage

Daily drop-in help sessions, online.

Use `<div class="card">` (and `card dark` / `card clay`) for boxes in any slide.

Enrico Glerean · CC BY 4.0 · eglerean.github.io

Dark content slide

White text on a very dark warm gray.

- Every layout accepts `color: dark`
- Also `ivory` (default), `white`, `sand` and `clay`

```
import numpy as np

def mean(x):
    return np.asarray(x).mean()
```

Table and quote

Resource	Cores	Memory
CPU node	128	512 GB
GPU node	48	1 TB
Login node	32	256 GB

> *Good research needs good tools.*

Two column layout

Left card

- Point A
- Point B
- Point C

Right card

- Point D
- Point E
- Point F

Enrico Glerean · CC BY 4.0 · eglerean.github.io

Three column layout

Compute

Run jobs on Triton with Slurm.

Data

Store and share research data safely.

People

Get help from the RSE team.

Bullets and content

- Key insight one
- Key insight two
- Key insight three
- Key insight four

Content card

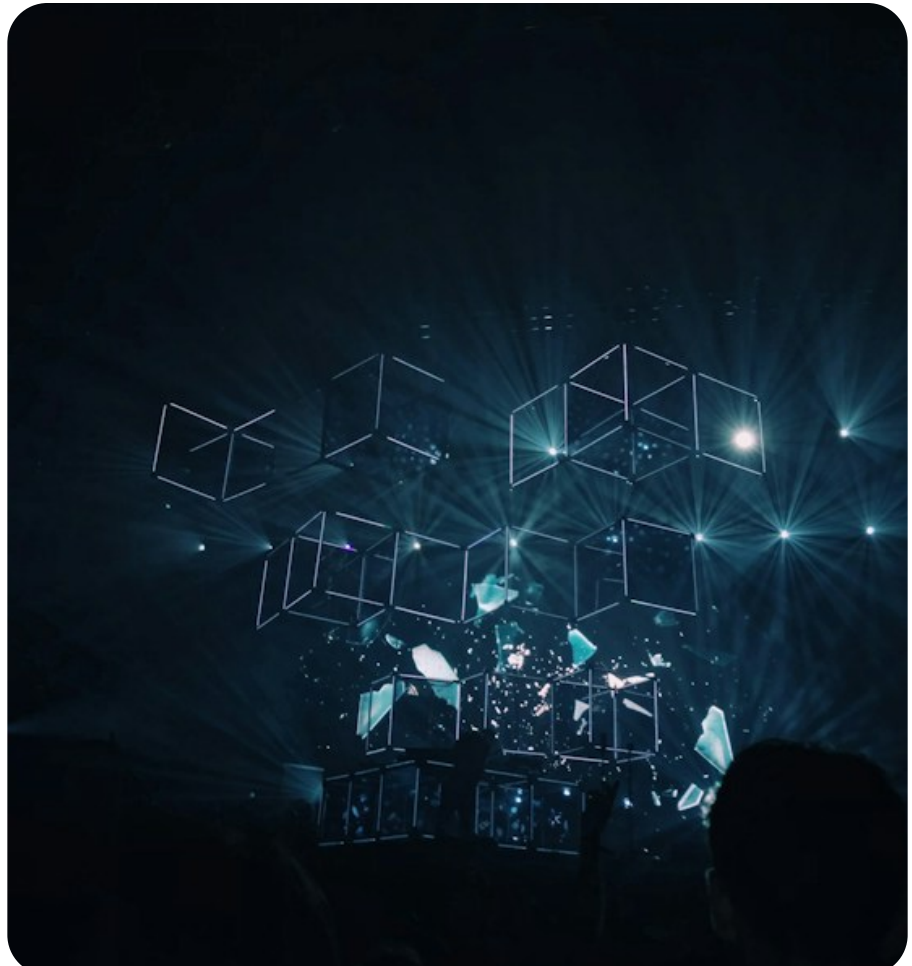

This side is a rounded card for charts, images, code or anything else that complements the bullets.

Enrico Glerean · CC BY 4.0 · eglerean.github.io

Image right

Content on the left, image in a rounded inset box on the right.

- Great for combining text with visuals

Enrico Glerean · CC BY 4.0 · eglerean.github.io

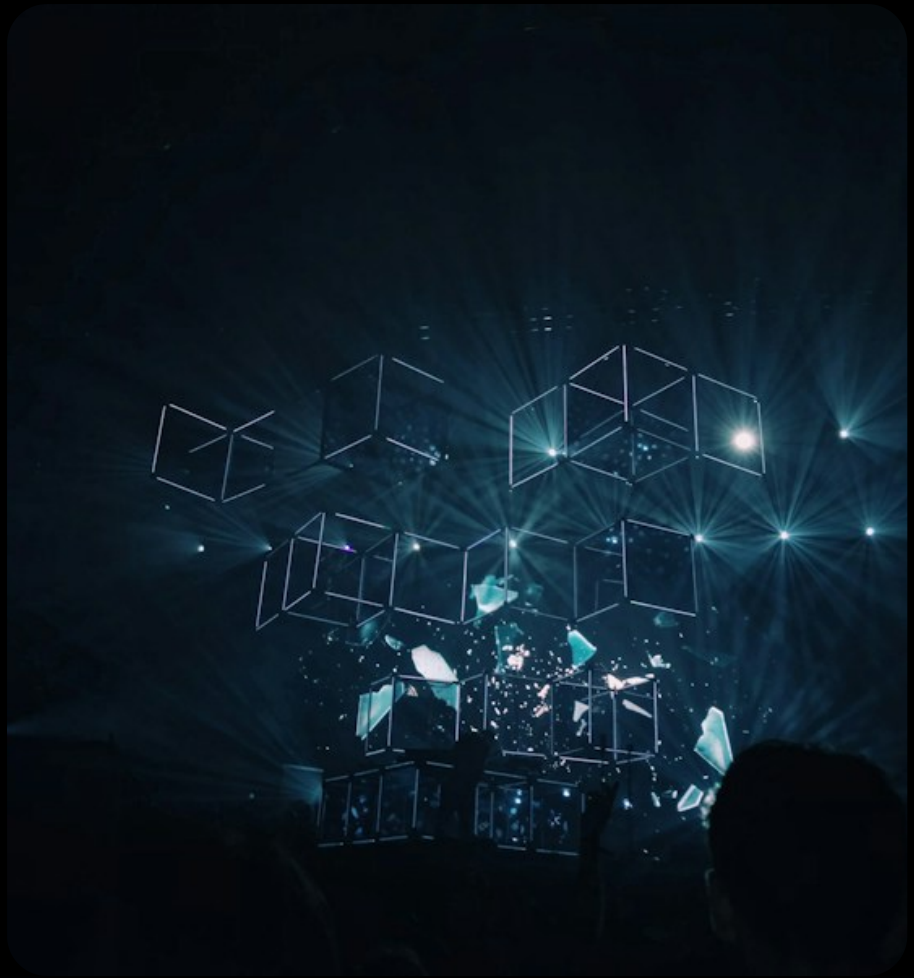

Image left

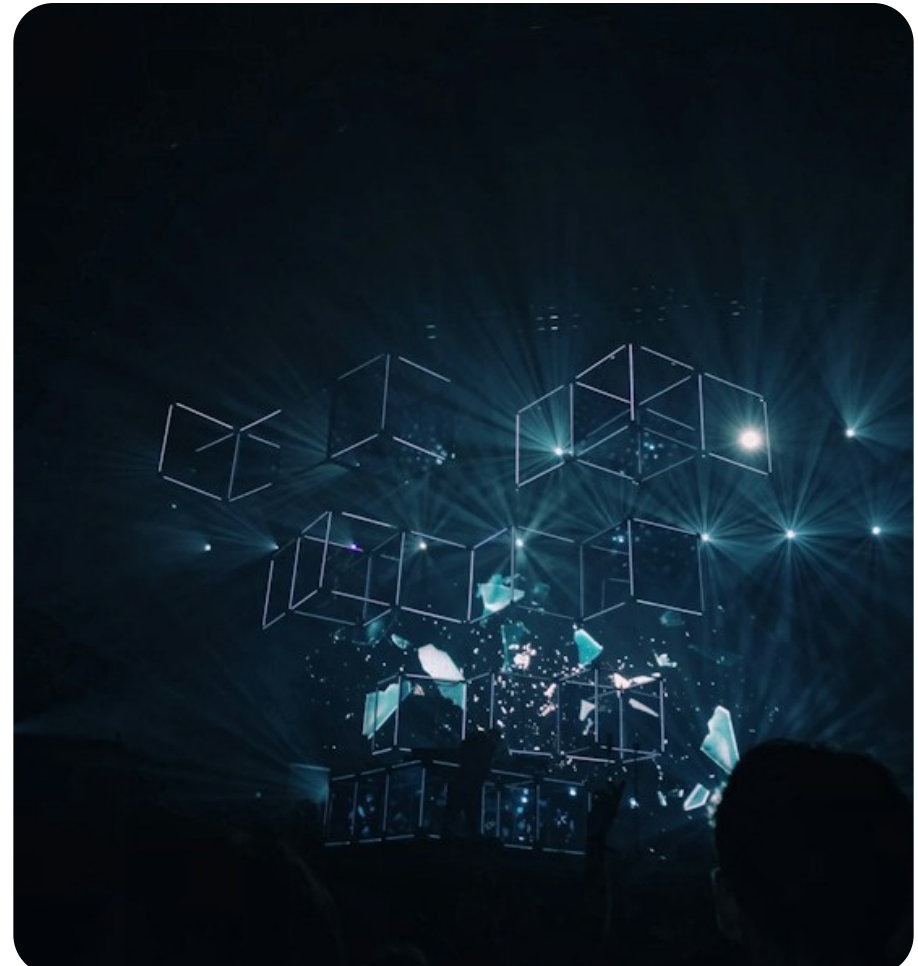

Same idea, mirrored, on a dark slide.
